

A DAY IN VINCI

THE DAY BETWEEN WALKS AND
CULTURE

Morning

- *The green route*, an ancient path that connects Vinci to Anchiano, immersed in the hills of Montalbano.
- After about 30 minutes, you arrive at *Leonardo's birth Place*, where you can retrace his life with multimedia exhibitions.
- After their visit, taking the Green route, you reach the *Villa del Ferrale*, where the *Leonardo and Painting Exhibition* is exhibited, with faithful reproductions of all Leonardo's pictorial work.

Afternoon

- The day continues at the *Museo Leonardiano*; the first part hosted in the *Palazzina Uzielli*, which is accessible from *Piazza dei Guidi*, reconfigured in a modern key by Mimmo Paladino.
- Between the two locations it is possible to admire the *statues of Leonardo and Qi Baishi* in the work "*Dialogue beyond time and space*", created by Wu Weishan.
- The second stop of the museum is the *Castle of the Conti Guidi*, the visit ends with the ascent to the *tower*, from which you can enjoy a 360° panoramic view of the Vincian hills.

- In the village there is the *Church of S.Croce*, which preserves Leonardo's *Baptismal Font* and sculptural cycle by Cecco Bonanotte dedicated to the History of Salvation.
- Last unmissable stop in *Piazza Guido Masi*, where you can admire the sculpture of the *Vitruvian Man* by Mario Ceroli.

Events

- *Vinci fair*, Historic fair dedicated to traditions and local products that ends with the re-enactment of the legendary Flight of Cecco Santi
- *Festa Dell'Unicorno*, For three days the city of Vinci became a medieval fantasy world, Hundreds of shows and performances take place in the different areas of the city,
